

# BECOME A MARINE PARTNER

INSTITUTE OF  
**MARINE**  
Engineering, Science & Technology

The Institute of Marine Engineering, Science and Technology (IMarEST) is the international professional body and learned society for all marine professionals. Across 120 countries we bring together over 12,500 marine engineers, scientists and technologists into one international multi-disciplinary membership body.

We work with the broad range of organisations in the marine industry, including our Marine Partners – an exclusive community representing members from our engineering, science and technology network. Partnering with the IMarEST allows you to collaborate with this unique network of pan-sector marine professionals, supporting growth for your business and helping to shape the profession.

A global community dedicated to driving innovation and excellence in marine engineering, science and technology.

The networking opportunities, knowledge sharing and access to the cutting-edge resources have been invaluable.

The IMarEST is your passport to a dynamic world of maritime innovation and expertise.
